

International Conference InterCarto/InterGIS-24
"Digital Earth and Sustainable Development of Territories"

July 19–22, 2018, Petrozavodsk (Republic of Karelia, Russia)
July 24–28, 2018, Bonn (Germany)

Announcement

Dear colleagues,

The International Conference InterCarto/InterGIS-24 "Digital Earth and Sustainable Development of Territories" will take place in Petrozavodsk (Russia, Republic of Karelia) on July 19–22, 2018 and in Bonn (Germany) on July 24–28.

The conference is organized by the International Cartographic Association, International Eurasian Academy of Sciences, ICSU-WDS World Data Center for Geography, Lomonosov Moscow State University, Karelian Research Centre RAS.

We invite everyone to take part in the conference!

Key thematic areas:

- Digital Earth for ecological, economic and social aspects of sustainable development,
- Digital Earth and geography of the global economy, including digital economy issues,
- Geoinformatics and mapping in environmental protection and ecological security,
- Geoinformation and cartographic support to cultural heritage conservation and tourism,
- Earth remote sensing methods,
- Virtual geographical environments and the Digital Earth concept,
- Education for sustainable development and the Digital Earth concept.

REGISTRATION

Registration for the conference takes place online at NWPI KarRC RAS website at:

<http://nwpi-karelia.ru/events/4995/5006/>

PAPER SUBMISSION

Paper submissions will be accepted **until April 1, 2018 only via the conference website**

<http://intercarto.msu.ru>

No later submissions will be considered.

Paper format requirements and a sample are posted on the conference website:

<http://intercarto.msu.ru/jour/about/submissions>

The requirements are according to the international database Scopus, since an application has been submitted for including the proceedings in Scopus. Articles not formatted according to the rules will be returned to the authors for revision.

Publication is subject to double blind review and advance payment of the registration fee.

To submit a paper register on the website in the 'for authors' section (until you've already registered) <http://intercarto.msu.ru/jour/about/submissions>

Then click the 'Start submission' link and follow the instructions of the system. You're advised to fill in as fully as possible the personal details and all the information requested by the system at each step.

At step 4 you'll be requested to attach the files with figures in jpg or tiff format (the same figures should be incorporated in the text of the article), as well as the registration form and a copy of the receipt confirming payment of the conference fee.
